With a focus on enhancing artistic and cultural resources in the community, the Firestone Board of Trustees has created a new Cultural Committee that will act as an advisory group on cultural arts matters. The committee will consist of five members: a Trustee, the Town Manager, the Communications and Communication Outreach Coordinator, and two Firestone residents.

The Town is now accepting letters of interest from Firestone residents who are willing to serve on the committee for a two-year term.

- Provide advice and recommendations to the Town Board with respect to the planning and conduct of the Town's annual special events.
- Serve as a forum and sounding board for discussion and development of the Town's policies concerning and interests in cultural matters and the advancement of artistic, cultural and civic activities in the Town.
- Stimulate and encourage private and public study, planning, presentation and participation in artistic, cultural and civic activities and events.
- Encourage and promote programs for the enrichment of culture in the Town.
- Explore and recommend to the Town Board ways and methods of obtaining private, local, state and federal funds to promote arts and culture in the Town.
