### **Thank You from Beverly Medina, Firestone Santa Cop program coordinator**

Throughout the years of coordinating the Santa Cop program for Firestone, I am overcome with gratitude for the thoughtful and wonderful people who have volunteered and donated not only their time, but also their generosity to the Firestone Santa Cop program. The Santa Cop program has experienced an endless amount of support from our community. We are very impressed with the sincere generosity of our community, businesses and contractors that are so willing to give to the Tri-Town children so that many may experience a Merry Christmas. To all the busy shoppers and wrappers who cheerfully give of themselves who have gone above and beyond, this program would not be as successful without your assistance. If I have left anyone out, please accept my sincere gratitude for your kind-heartedness.

Thank you from the bottom of our hearts!

Beverly Medina
